El Nino (longfala drae taem) hemi kontinu long pasifik..

LUKLUK BLO MANIS AUGUST 2026

- Long taim blong El nino, hemi no minim se bae nokat eni renfol. Be bambae i kat bigfala janis blong yumi save kasem ol bilou nomol renfol around long country we i save mekem ples hemi dry plante, mo too level blong ol River oli save go daon mo kat ol nara impaks.

wanem gud saet blong El Nino long Turisim?

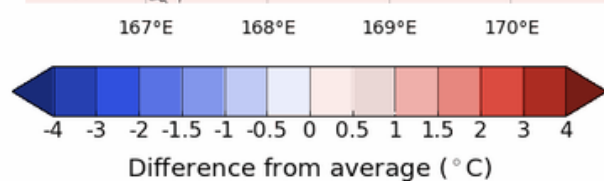

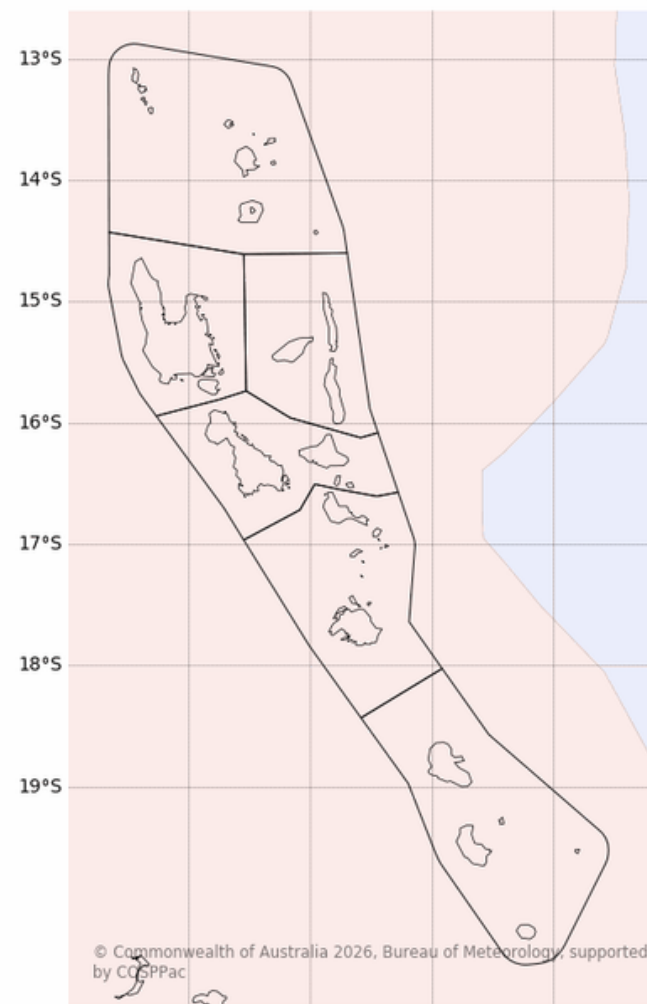

Weta i stret gud

- Plante days blong sun mo turis i save enjoyem on goodfala beach activities.
- Solwota hemi clear mo good blong snorkeling mo diver.
- Turis i save enjoyem olgeta outdoor activities olsem Hiking mo ol narafala mo
- wetem gudfala weta or sunny days bae ol tourism i save enjoyem ol longfala stap long ples.
- Turis hemi save kat gud taem mo kat janis blong tekem olgeta gudfala photo long ples hemi visitm.

Day mo naet Tempreja

Difference from average
mean maximum temperature forecast for
September 2026

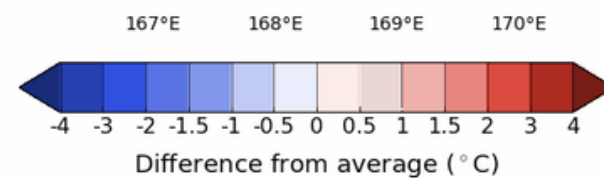

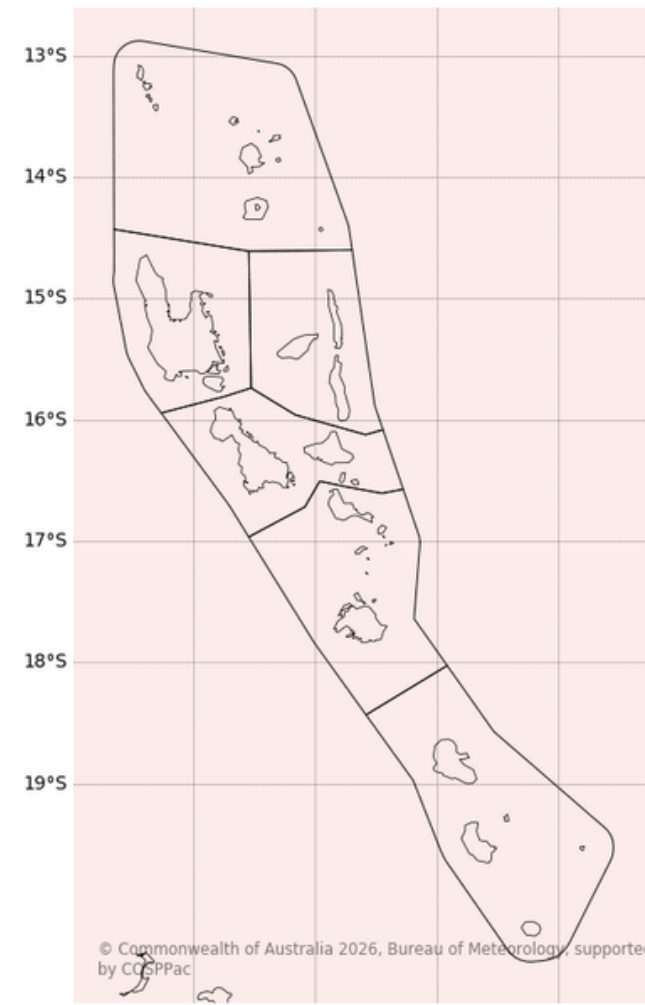

Base period: 1981-2018
Model: ACCESS-S2
Model run: 10/08/2026
Issued: 13/08/2026

-- EEZ border V11 (Flanders Marine Institute, 2019).

Difference from average
mean minimum temperature forecast for
September 2026

Base period: 1981-2018
Model: ACCESS-S2
Model run: 10/08/2026
Issued: 13/08/2026

-- EEZ border V11 (Flanders Marine Institute, 2019).

Wanem nao ol graf ia oli soem long tempreja blong nekis manis Okis 2026?

- Ol graph ia oli soemaot se dei-taem mo naet-taem tempreja bae hemi bitim nomol lelebet wetem wan averej difrens blong 0.5°C.
- Hemia i minim se bae vanuatu hemi expectem ples i kolkol long nekis manis

Hao nao kolkol-taem bae i afektem tourism aktiviti?

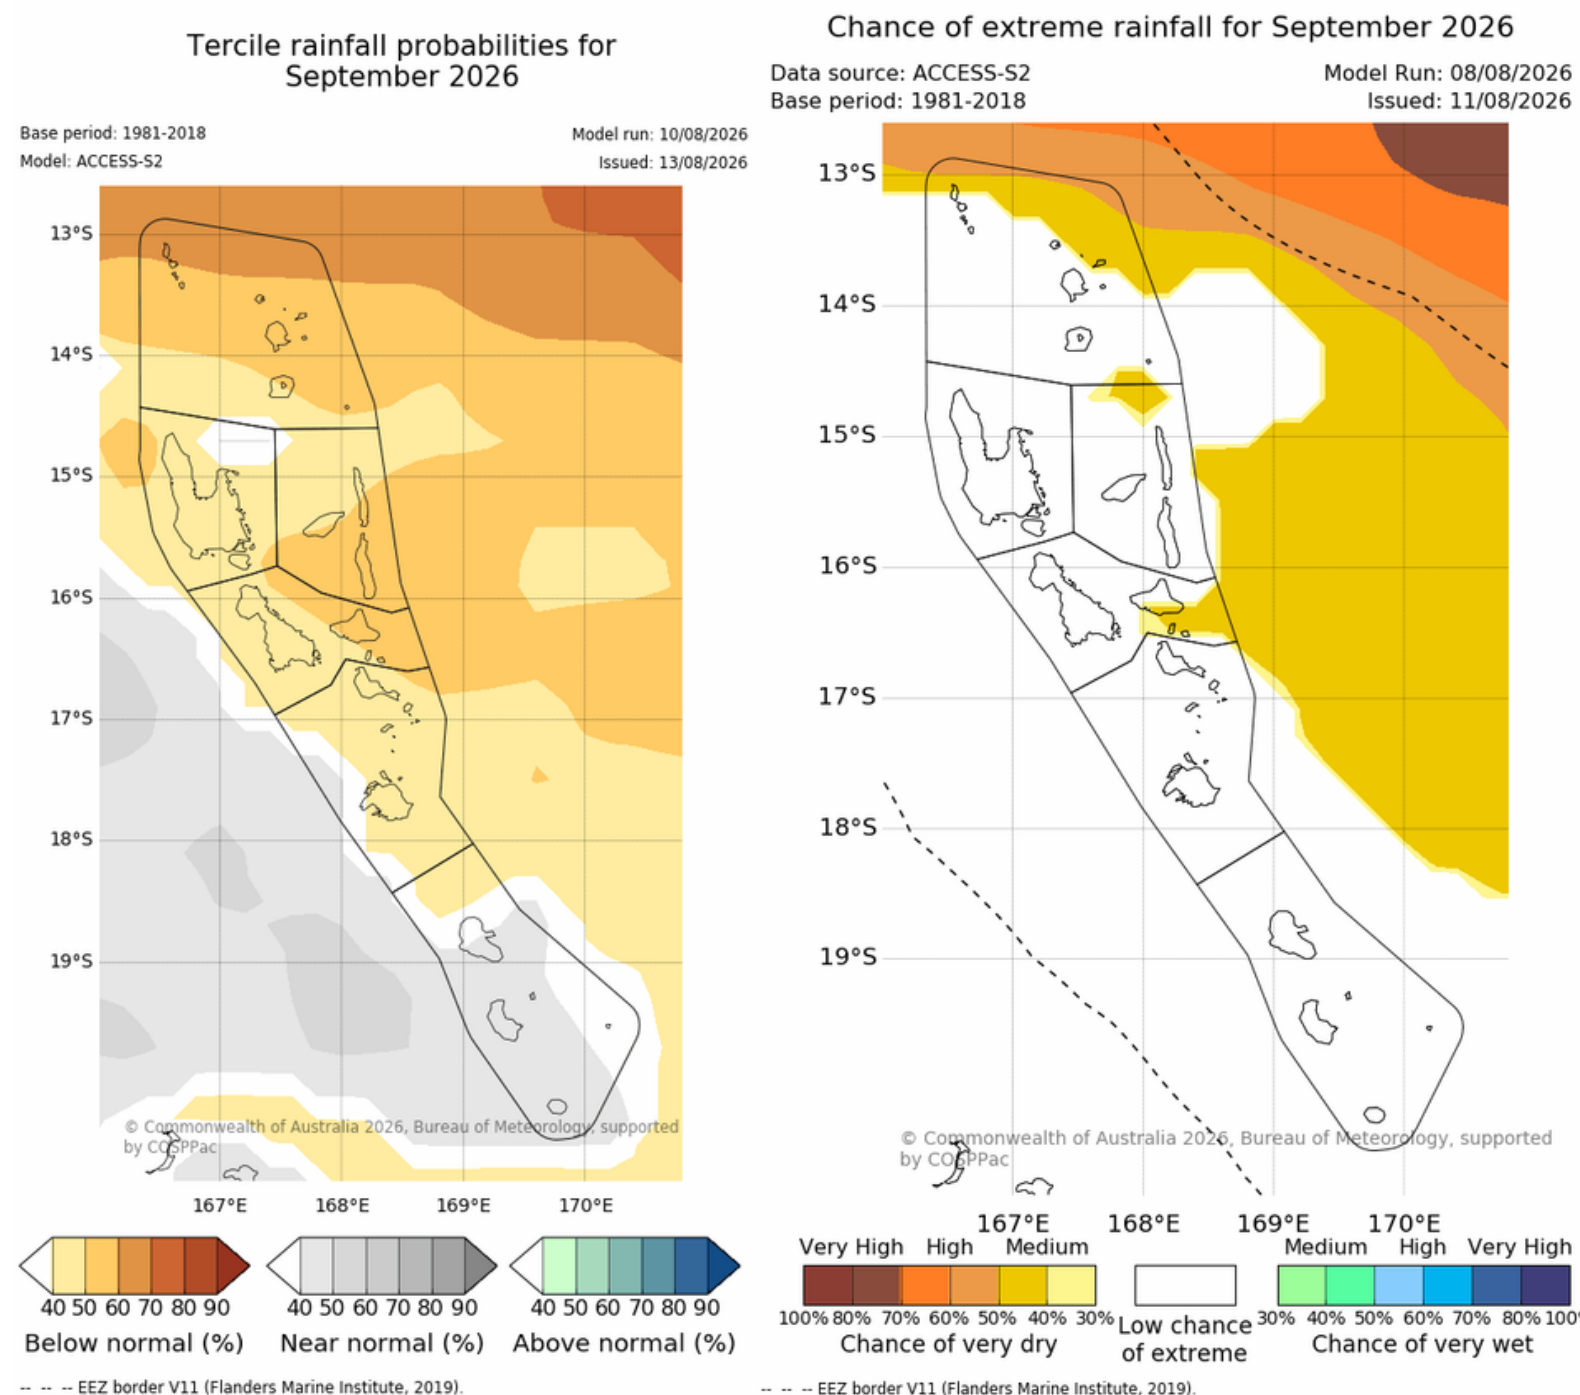

Gud saet blong kolkol:

- Long taim blong kolkol hemi gud taim blong mekem hiking, volcano tours, cultural visits mo sight seeing we visitor i no save experience heat stress.
- touris hemi save enjoyem kokol mo drier weather condisen.

Nogud saet blong Kolkol:

- Long taem blong kolkol, turis hemi no enjoyem tumas ol activity long solwota olsem snorkeling, swim etc..
- Demand blong ol water activities hemi low.
- Hemi redusum evening outdoor activities olsem beachfront dining, outdoor entertainments mo ol evening market activites.
- Hotels mo resort bae i operate long extra cost blong providem extra blankets mo nara samting blong kipim visitor i wom.

Renfol Aotluk blo manis OKIS

Wanem nao graf ia i talem long ren blong manis Okis 2026?

- Graph ia i soemaot se plante ples long Vanuatu bae laikly kasem bilou nomol renfol long Manis September.
- Janis Blong Kasem extreme rainfall lo September hemi low

From wanem Bilou nomol renfol kondisen hemi gud Long tourism aktiviti?

Bilou Nomol renfol i minim se:

- Plante sun days blong mekem ol outdoor activity
- Taem i nokat tumas ren, i no kat tumas cancel long flights mo events
- Road access long ol tour sites oli dry mo save touris i save visitim
- Taim i nokat tumas rain, solwota hemi clean blong mekem snorkeling mo diver.

Nogud saet blong Bilou Nomol renfol:

- I kat shortage blong wota long samfala resorts/bungalow we i no savem mekm touris is happy.
- Ples oli save dry tumas mo no luk gud
- sometimes ol smol smol river i save dry
- i save kat Bush fire taim ples i drae tumas we putum fraet long touris
- Hemi save spoilem ageo-tourism taim ol ol kakai long karen i no grow gud from tumas sun.
